Activity 01 - Communication Audit at EverBright Electronics

Course: Mastering the Art of Communication to Enhance Team Collaboration and Customer Satisfaction

Course Code: TGS-2023037467

Alignment: K1, K2, K3, K4, A1

Version: v10.1 | 17 August 2026

Scenario

EverBright Electronics assembles smart-home devices in Singapore. Sales promises customised delivery dates, Operations works from a weekly spreadsheet, and Customer Care learns of delays only after customers call. Employee pulse comments show that junior staff hesitate to challenge optimistic deadlines. Three enterprise customers have escalated late orders in the last month.

Role cards

Role 1: Audit lead

Represent this stakeholder's legitimate needs, constraints, risks, and preferred outcome. Do not disclose private role assumptions until the debrief.

Role 2: Sales representative

Represent this stakeholder's legitimate needs, constraints, risks, and preferred outcome. Do not disclose private role assumptions until the debrief.

Role 3: Operations planner

Represent this stakeholder's legitimate needs, constraints, risks, and preferred outcome. Do not disclose private role assumptions until the debrief.

Role 4: Customer Care lead

Represent this stakeholder's legitimate needs, constraints, risks, and preferred outcome. Do not disclose private role assumptions until the debrief.

Role 5: Observer/evidence recorder

Represent this stakeholder's legitimate needs, constraints, risks, and preferred outcome. Do not disclose private role assumptions until the debrief.

Scenario questions

1. Where exactly does shared meaning break down?
2. Which evidence supports each diagnosis?
3. Which best practice is suitable—and what must be adapted?
4. How would the benchmark improve team collaboration and customer satisfaction?
