# Activity 05 - Build the HarborCare Communications Plan

Course: Mastering the Art of Communication to Enhance Team Collaboration and Customer Satisfaction

Course Code: TGS-2023037467

Alignment: K2, K3, K4, A2, A3

Version: v10.1 | 17 August 2026

## Purpose

Apply workplace communication techniques to a realistic scenario and produce evidence that meets explicit acceptance criteria.

## Folder contents

- `scenario-and-role-cards.pdf` - realistic case and confidential role briefs
- `role-play-playbook.pdf` - detailed preparation, rounds, coaching and debrief sequence
- `worksheet.pdf` - questions and evidence workspace
- `acceptance-checklist.pdf` - final quality gate

## Evidence to submit

- One-page communication plan
- Message house
- Six-week channel calendar
- Measurement and adjustment loop

## Share on the class Padlet board

Post your team's key outputs and one takeaway from this activity to the shared class Padlet board for peer review during the debrief: https://alfredang.github.io/padlet/
