# Activity 03 - Channel Choice for a Time-Critical Hotel Service Failure

Course: Mastering the Art of Communication to Enhance Team Collaboration and Customer Satisfaction Course Code: TGS-2023037467 Alignment: K2, K4, A1 Version: v10.0 | 16 August 2026

## Acceptance checklist

[ ] Each channel choice is justified

[ ] Message states known, unknown, action, owner, and next update

[ ] No contradictory compensation authority

[ ] Escalation triggers are explicit

## Closed-loop checks

[ ] Facts are separated from assumptions.

[ ] The audience need and desired behaviour are explicit.

[ ] Channel choice fits urgency, ambiguity, reach, and record.

[ ] Message includes action, owner, timing, and escalation.

[ ] Receiver understanding is confirmed in their own words.

[ ] Evidence is complete and suitable for assessor review.

Assessor/peer feedback: _____
