Activity 05 - Build the HarborCare Communications Plan

Course: Mastering the Art of Communication to Enhance Team Collaboration and Customer Satisfaction

Course Code: TGS-2023037467

Alignment: K2, K3, K4, A2, A3

Version: v10.0 | 16 August 2026

Purpose

Apply workplace communication techniques to a realistic scenario and produce evidence that meets explicit acceptance criteria.

Folder contents

- `scenario-and-role-cards.pdf` - realistic case and confidential role briefs
- `role-play-playbook.pdf` - detailed preparation, rounds, coaching and debrief sequence
- `worksheet.pdf` - questions and evidence workspace
- `acceptance-checklist.pdf` - final quality gate

Evidence to submit

- One-page communication plan
- Message house
- Six-week channel calendar
- Measurement and adjustment loop

Share on the class Padlet board

Post your team's key outputs and one takeaway from this activity to the shared class Padlet board for peer review during the debrief: https://alfredang.github.io/padlet/
